

# SUFI SUMMER WORKSHOP

Conducted by **ADNAN SARHAN**

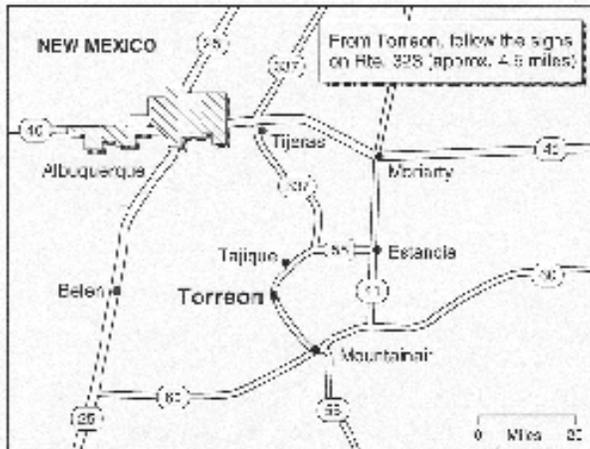

*This summer's workshop will be held under the colorful skies of New Mexico, the land of enchantment.*

2 month summer workshop July 1 - August 31

## THE CENTER

Nestled in the Manzano Mountain range just 40 miles southeast of Albuquerque, the property is surrounded by over 200 square miles of Cibola National Forest. The 40 acre estate with housing and facilities offers magnificent views overlooking the Chihuahuah Desert. The 7200' elevation makes for clear mountain air with dry daytime temperatures reaching the low 80's, while dropping into the 50's at night. So bring warm clothing, blankets or sleeping bag, in addition to other personal items such as towels, flashlight, shoes for hiking, etc. Do not bring children or pets. If you have drums, you can bring them.

## TRAVEL INSTRUCTIONS & COSTS

If you are arriving from the ALBUQUERQUE AIRPORT, call at least 24 hours in advance to 505-384-5135 and make arrangements for someone to pick you up. The cost for a ride from the airport is \$15 per person.

The cost of the workshop (July 1 - August 31) will be \$1,800 or \$350 per week, \$1,200 for four weeks. Make checks payable to Sufi Foundation. To make a reservation, a \$350 deposit is required.

Adnan Sarhan, founder of the Sufi Foundation of America, is internationally known for his "Rapid Method." Adnan leads participants in a wide range of timeless techniques. Exercises, meditation, drumming, movement, chanting, dancing and whirling are used to develop the higher intelligence of the heart. Over the years, Adnan has conducted workshops at prestigious institutions around the world including St. James' Church in London; World Congress of Psychology in Switzerland; the Earth Summit in Brazil; Church of St. John the Divine, New York and many others.

Cooking, cleaning, gardening and putting the camp in excellent shape is done by students to complement the spiritual work.

## WHAT OTHERS SAY ABOUT ADNAN'S WORKSHOPS:

"Adnan can take the students to extraordinary perceptions in a brief time." — InnerSelf Magazine

"I started to doubt if I ever meet a real Sufi master who will pay so much attention to music, poetry and dancing in life, in spiritual path as you, as Sufis of the past. Thank you very much." — Yana Petrova, Radio Russia, Moscow

"You have taught me how to encourage the positive and discourage the negative." — Don Blasius, Ph.D. Dept. of Mathematics, Yale University

"My life has completely turned around. I have stopped smoking, drinking and arguing with my friends and employees." — Steven Buckwald, President, Surroundings

"The most perfected form of all body work I had come across in my years of search." — Odile Atthalin, Psychologist/Bodyworker, Paris, France

"I can feel changes taking place deep within me...like a whole new view of the world, spirit and belief system is unfolding." — Liz Parkinson, Merchant Ivory Films, London, U.K.

"I previously attempted meditation by ceaselessly repeating a mantra, such meditation has never before been of such depth and tranquility as I achieved at your workshop." — Alvin S. Hyde, M.D., Ph.D., Hyde Associates, Inc. Key Biscayne, FL

"Adnan reveals something indecipherable about humankind's place in the universe, about the nature of being in themoment." — Ron Gibson, Ego Newspaper, Byron Bay, Australia

"The significance of what Adnan does is ecumenical, as his emphasis is on the spiritual brotherhood of all people. The experience of his work is as valid for Christians and Jews as it is for Moslems." — James Parks Morton, Dean, Cathedral Church of St. John the Divine, NY

"A most therapeutic group encounter." — Joseph Savage, M.D., psychiatrist, V.A. Hospital, New York
